

The following areas of endorsement have been identified either by the State of Iowa or by the Lewis Central District Administration as areas for consideration for reimbursement through **Endorsement Reimbursement Application Process** as outlined by the Teacher Quality Committee. Approximately \$5560 is uncommitted in this program at this time. Reimbursement for approved and completed endorsements will be at a rate of \$142 per credit hour until the money is gone. Application forms are available from any building principal and completed applications must be submitted to building principals by April 16, 2013.
