

Dear Tappahannock Elementary School (TES) Families,

On behalf of the entire faculty and staff, Welcome Back to the 2021/2022 School Year - Building Success at TES.

I hope you all have enjoyed your summer and are well rested and recharged. I look forward to working with all families as we help our students grow - we have an amazing learning community. Your partnership is important and I am excited to work with you and your children.

Below is important information regarding our return to school:

- All students will begin school on August 16 (7:50 to 3:10) - this includes our Early Childhood and VPI/PreK students
- Due to Covid protocols, all teachers, staff, students, and visitors will need to wear masks regardless of vaccination status. In addition, visitors will not be permitted beyond the front office.
- If you will be picking up your student this school year, please click this link for more information. [Parent Pick Up Car Tag Information](#)
- [TES Condensed Supply List \(1\).docx](#) - all grade level supply lists are on the linked doc
- TES will hold an Open House on August 10 from 4:30 p.m. to 6:30 p.m. At Open House you will find out your teacher, can drop off school supplies, will pick up your Chromebook if you are a new student to TES, and participate in a scavenger hunt to visit your teachers.

Covid protocols will be in place. All visitors must wear a mask and have their temperatures checked prior to entering the building at the front entrance.

The teachers and staff at TES are also excited to welcome back our students and are working hard to make sure your child's learning experience is successful. I am thrilled to be part of a team of teachers/staff, students, and parents who want to achieve great things. Thank you for entrusting us with the education of your children.

Yours in education,

Janet Garland, Principal

Tappahannock Elementary School
