WEDNESDAY LATE START
Starting with the 2014-2015 school year, late starts on Wednesdays will no longer be in effect. Wednesdays will have the same schedules as other days.

SUMMER READING ALERT!
"Children who do not read over the summer will lose more than two months of reading achievement. By the end of 6th grade, children who lose reading skills over the summer will be two years behind their classmates." -- RIF (Reading is Fundamental)

Did you know?
Parents and students, PLEASE don’t let your reading slide this summer. Pick up any reading material: magazines, newspapers, novels, picture books, cereal boxes, comics…..ANYTHING! The key is to establish a routine that includes daily reading.

Did you know that there are amazing free resources available providing interesting reading materials? YouTube and iTunes give you access to some great free audio books. Sit down with a copy of the book before you, follow along, and listen as someone reads it aloud. Have a Kindle, iPad, or personal computer? You can access free Ebooks through the Winnefox Library System if you have a library card for one of the local libraries.

Some great websites exist that help you find new titles that will engage readers of all ages. Goodreads.com is a free site that allows you to rate the books you’ve already read, make a list of books you want to read, and get recommendations based on your previous reading habits. Barnesandnoble.com has a great opportunity. Read eight books and record on a journal, and you will receive a free book. The website of your local library will also provide great information on books and summer reading activities.

Students, keep those “reading muscles” limbered up! Going back to school in September will be a better experience because you will be in better shape. Parents, help them do so by making reading a priority this summer.
KURT TERBEEST MEMORIAL SCHOLARSHIP

Thomas Lawson and Dustin Baggett were each awarded $500.00 scholarships, thanks to the TerBeest family and the Markesan Lions Club. The Markesan Lions Club recently sponsored the Kurt TerBeest Memorial Golf Tournament, with the funds raised solely for scholarships in Kurt’s name. The two recipients will be furthering their education in the auto/truck/mechanics field this fall. The Markesan Lions apologizes to the TerBeest family for inadvertently leaving the awards off the list during the recent Kiwanis Awards Program.

HIGH SCHOOL ART AND FOCUS ON THE FARM

Mrs. Jayne Dillie’s high school art students painted six double-sided billboards for the “Green Lake County Focus on the Farm.” It took a lot of time and effort from the diligent art students and they succeeded in completing the signs before school ended for summer. The signs will be displayed in various locations throughout the county.

2014 MARKESAN COMMUNITY BAND

Over one hundred participants marched with the Markesan Community Band on Saturday, June 14 in the June Dairy Days Parade. The marching band included members of the high school band, members of the middle school band, alumni, faculty, friends and community members. Thank you to each one of you for participating in the parade.

JUMP ROPE FOR HEART

During the month of May, Markesan Elementary participated in the Jump Rope for Heart program. Jump Rope for Heart is a program from the American Heart Association to help raise money for research and to bring awareness about cardiovascular diseases and stroke. Heart disease and stroke are the #1 and #4 killers in America today. They account for almost as many deaths as all other causes combined.

The students were able to ask for donations during a two-week span. In this time, Markesan Elementary was able to raise $20,866.50. This amount was simply incredible and blew away our goal of $3,600. With this amount we were the top fundraising school in our area and fourth in the entire state of Wisconsin. The money raised will be used to help all people whom are affected by cardiovascular diseases.

In addition to raising money, the students participated in various jumping rope activities during physical education class such as long rope, short rope, trick jumps, etc. They also learned about staying tobacco free, eating right, and exercising as a lifestyle. It was a great event for all people involved. We should be proud of what our students and community were able to accomplish. Thanks for all your support!!!

The 2014 sixth grade class and their teachers would like to thank everyone who helped make camp an amazing success. The weather this year was perfect, and we thoroughly enjoyed every minute of the three days. Many volunteers from the community and staff from Markesan District Schools contributed time and effort to make it a memorable experience for us. We cannot express how much we depend on and appreciate your help.
DIRECTORY INFORMATION RELEASE

According to Board of Education policy, the following items involving students are considered directory information and will be made available to the public upon request: a student’s name; photograph; participation in officially recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; awards received; the school most recently previously attended; honor rolls; and scholarships.

If any parent/guardian objects to or refuses to permit the district to designate the above listed information as directory information, they should advise the school district in writing via a letter addressed to the district administrator’s office within two weeks after publication of this newsletter. If you have any questions concerning directory information, please call the district office at (920) 398-4201.

NONDISCRIMINATION NOTICE

It is the policy of the Markesan District Schools that no person may be denied admission to any public school in this district, or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extra-curricular, pupil service, recreational, or other program (employment or instructional), or activity because of the person’s sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability. Participation in some extra-curricular programs may be based upon performance criteria and/or the skill development of a participant.

This policy also prohibits discrimination as defined by Title IX of the Education Amendments of 1972 (sex), Title VI of the Civil Rights Act of 1964 (race and national origin), and Section 504 of the Rehabilitation Act of 1973. It is the intent of the Markesan District Schools to comply with both the letter and the spirit of the law in making certain discrimination does not exist in its policies, regulations, and operations.

Grievance procedures for Title IX and Section 504 have been established for students, their parents, and employees who feel discrimination has been shown by the Markesan District Schools. Specific complaints of alleged discrimination under Title IX (sex) and Section 504 (handicap) should be referred to: Mark Nagle, High School Guidance Counselor, (920) 398-4107 or Duane Bark, District Administrator, (920) 398-4202, 100 East Vista Boulevard, PO Box 248, Markesan, WI 53946.

ASBESTOS LAW COMPLIANCE NOTIFICATION

As a result of federal legislation (Asbestos Hazard Emergency Response Act - AHERA), each primary and secondary school in the nation is required to complete a stringent inspection for asbestos and to develop a plan of management for all asbestos containing building materials. Markesan District Schools has a goal to be in full compliance with the law and is following the spirit, as well as the letter of the law. As a matter of policy, the district shall continue to maintain a safe and healthful environment for our community’s youth and employees.

In keeping with this legislation, all buildings (including portables and support buildings) owned or leased by Markesan District Schools were inspected by EPA accredited inspectors and samples were analyzed by an independent laboratory. Based on the inspection, the school prepared, and the state approved, a comprehensive management plan for the safe and responsible handling of asbestos within it’s buildings.

This past year Markesan District Schools conducted the following with respect to its asbestos containing building materials: continued an operations and maintenance program. Federal law requires a periodic walk-through (called “surveillance”) every six months of each area containing asbestos. In addition, the law requires all buildings to be re-inspected three years after a management plan is in effect. MacNeil Environmental, Inc. will accomplish this under contract. Areas where management issues are noted during inspections and surveillances have been, and will continue to be, dealt with promptly.

Short-term workers (outside contractors-i.e., telephone repair workers, electricians and exterminators) must be provided information regarding the location of asbestos in which they may come into contact. All short-term workers shall contact the lead maintenance person before commencing work to be given this information.

Markesan District Schools has a list of the location(s) and type(s) of asbestos containing materials found in the school building and a description and timetable for their proper management. A copy of the Asbestos Management Plan is available for review in the district office. Questions related to the plan should be directed to MacNeil Environmental, Inc. at (800) 642-6730 or by contacting Markesan District Schools at (920) 398-4201.

WISCONSIN PUBLIC ACT 96 NOTIFICATION

The Markesan School District would like to inform staff, students, parents and the public of the district’s Indoor Environmental Quality (IEQ) management plan. The plan was initially developed in 2012 and is reviewed as necessary. The plan was developed as deemed appropriate for the district. This annual publication is part of the Markesan School District’s communication plan within the IEQ Management plan. Questions and concerns should be directed to the IEQ coordinator at 920-398-2373. The district office is located at 100 East Vista Boulevard, Markesan, WI 53946. Copies of the plan are available at the district office for a fee.

**2014-2015 MARKE SAN DISTRICT SCHOOLS-GR ADDES 6-12 SCHOOL SUPPLIES**

*Please note: Students may receive a list of additional supplies from their teachers at orientation.

*The office will not supply note cards, tag board, or post it notes. Students should purchase these items on their own as needed. All high school students will need to purchase their own assignment notebook.

*Sixth grade students will need $2.00 for a special science notebook that the school will purchase for your child.

**PE Classes:** Students should have shorts, a white T-shirt, and tennis shoes.

---

*Students need to store most supplies in this container to tote from one class to another. A shoe box might work just as well.

**Students may use a trapper keeper or other organizer and/or multi-subject notebook. It is recommended that there should be a separate section for each class.

***Advanced Algebra, Stats & Trig, 5th Year Math require a graphing calculator. Variable Math, Pre Algebra, Algebra, Geometry require a scientific calculator. MS Math 1 & 2 require a hand held calculator.
