Dr. Kenneth H. Folks, Superintendent

August 21, 2015

Dear Parent/Guardian:

We are off to another amazing year here at EACS. Thank you again for entrusting us with your student's educational needs. EACS strives to be a district that is on the cutting edge of educational technology at all levels. Beginning this year, all EACS high school students will have some electronic textbooks (eTexts) on the iPad. EACS students taking college-level and Advanced Placement courses will be using a free eText App, known as the Pearson eText 1.8 App. This app is rated age 12+. 12+ apps are rated for student's ages 12 to 16 and may contain infrequent mild language, fantasy or realistic violence, and mild suggestive themes, which may not be suitable for children under age 12.

Our Technology Department will be taking steps to allow EACS high school students enrolled in these courses the ability to download the app necessary to access their eTexts using their iPad. In doing so, these students will have the ability to download other apps rated as 12+ in the App Store. Parents are encouraged to monitor what apps students are downloading onto their iPad.

If you have further questions, please do not hesitate to contact me or your building-level principal.

Sincerely,

A handwritten signature in blue ink that reads "Kenneth H. Folks".

Dr. Kenneth H. Folks
Superintendent
