

Wednesday, April 21, 2021

Dear Parents,

It is with great enthusiasm that I write this communication to inform you and your family of scheduling changes to our in-person instruction. Starting Monday, April 26, 2021, there will be modifications to our **A/B Schedule** and our Hybrid Model. We have the opportunity to bring back students Monday through Thursday. Our J.W. Oakley staff will finally be able to see their students and work with them in-person more regularly. Over 80% of our classrooms will be able to make the conversion.

Teachers will be reaching out in the next couple of days to inform parents before Friday, April 23, 2021. We want our families to be prepared for the upcoming changes. This transition will be quick and we need your support to make it happen. Our number one priority is the safety of our children and staff; therefore, teachers who see 16 students or less in person will make the transition automatically. For classes that are larger than 16 students we will use multiple criteria to make the decision.

All of our safety measures will continue to be in place, including our entrance and exit procedures. Core instruction continues to take place synchronously from Monday to Thursday (8:15am-11:30am) and Fridays we begin at 8:30am.

Please check your teacher communication application (Class Dojo, Remind, or Google Classroom) and/or email for updated information. If you have any additional questions, concerns, or need further explanation reach out at your earliest convenience.

Respectfully,

Mrs. H. Garcia

J.W. Oakley Elementary Principal
