J.W. Oakley Families,

Our Otters are returning to school on Monday, April 12, 2021. We take your trust very seriously and have measures in place to secure our children's safety. Whether you choose in-person instruction or continue with our current online program, we have a plan to meet the needs of all our students.

From April 12-April 23, we will continue to enroll students for in-person instruction. After, April 23, we will consider your selection final for the remainder of the year. Should there be a change to the class schedule, the teacher will communicate it to you.

Teachers have opted to provide an additional hour of after school intervention. Your child's teacher will communicate the days of his/her tutoring schedule. Only students attending in-person will receive in-person tutoring. Staff at J.W. Oakley have come together to maximize our time with our students.

Please reach out if you have any questions or concerns. We look forward to our continued partnership for the academic benefit of our students. For questions, please call the office at 760-344-4620.

Best Regards,

Mrs. H. Garcia

J.W. Oakley Principal
