[REMOTE LEARNING MEALS](#)- School meals are available during remote learning days and on weekends. These meals are made available through USDA funding and are no charge to you. By participating in this meal program you are supporting the school district and our community in many ways. Please see these links for more information.

[FREE MEALS](#)-Free meals will be available to all children up to age 18 through June 30, 2021. Please use [this link](#) for information.

- BGP Lunch K -2 and Breakfast:
** Free school lunches are available for ALL students until the end of the school year. Both breakfast and lunch at Birch Grove are free to all students. This is an unprecedented move by the USDA that governs our meal programs. [We are able to provide these meals at no charge until June 30, 2021.](#)
- There is nothing special that children need to do. Students will come to the service line with the other children with their mask on and socially distanced. The cafe staff will fill the students' tray with selections, they will take the students' name and the cashier will ring in the transaction although there will be no charge at this time. Please understand this applies to a "complete" breakfast or lunch meal. If children would like an extra milk with their hot lunch, or to have with their lunch brought from home, that would cost 75 cents.

[COVID REPORTING-](#) Please review the information in the [Superintendent Bulletin](#)

From the Health Room:

- The Birch Grove nurse's office is requesting that parents send in an extra change of clothing for their child, to keep in the classroom for emergencies.
- There is no latex (balloons, etc.) allowed in schools due to allergy concerns.

- Parents/Guardians of Preschool students,

This is a reminder regarding the 2020-2021 School Year Immunization Requirements from the State of Connecticut. It is required that Preschool children (younger than 5 years of age) receive the influenza vaccine. One (1) dose must be administered each year between August 1- December 31. If your child is receiving the vaccine for the first time, two (2) doses must be administered (separated by at least 28 days).

If you have not already done so, please contact your child's pediatrician for an appointment. Once vaccinated, please provide documentation of having received the flu vaccine to the school nurse. Please feel free to contact your healthcare provider or school nurse with questions. Thank you!

- If your child is ill, please call in to the nurse's school line as early as possible in the morning.
- Flu season is upon us once again. Flu symptoms may include fever (not always), cough, sore throat, runny or stuffy nose, muscle or body aches, headache, fatigue, and possibly vomiting and diarrhea. There are measures that we can all take to help fight the flu.
- **First:** It's not too late to get the flu vaccine. This is the best way to protect against the flu.
- **Second:** Control the spread of germs. Cover your nose and mouth with a tissue or your sleeve when you sneeze or cough. Wash your hands often with soap and water. Avoid touching your eyes, nose, and mouth. If you are sick, stay home.
- **Third:** If you get the flu, your doctor can prescribe antiviral medication to help make the illness milder and shorten the duration of the flu.
- Please remember that if your child has a fever of 100° F or greater, vomiting, or other contagious disease, he or she must remain home for 24 hours after the fever or illness has subsided without medication, except antibiotics before returning to school..
- Please be sure to send in a healthy and safe snack for your child.

Adherence to In-Person or Remote Designation:

All students are assigned to one of two designations, either in-person M,T, Th and F or fully remote. Please understand that these designations must not be changed simply for the sake of convenience. Sudden changes to a child's designation often result in a student not having the necessary materials needed to participate in classroom lessons. Keeping a child at home because they are not feeling well and having them work remotely is an appropriate reason to switch a designation in the short term, but abruptly switching a child to remote as a matter of convenience cannot be accommodated.

Virtual Breakfast with the Principal:

The virtual breakfasts with the Principal are on the first Thursday of each month from 9:30am-10:00am on 5/6, and 6/3.

Bus Information:

IF TRANSPORTATION FROM OR TO ANOTHER LOCATION, I.E. DAYCARE, YOU MUST COMPLETE A SPECIAL TRANSPORTATION REQUEST FORM ONLINE. [Please follow this link.](#)
