Virtual Classes through ZOOM Platform
 Offered to Students in Wayland Public Schools

Get a jump-start on world languages by enrolling your child in the Global Child Program!

Join our academic and fun classes now!

The program emphasizes listening and speaking skills with culture integrated into the language. Classes meet once a week for 6 weeks in the spring semester. Global Child follows the Wayland Public Schools calendar. Classes are subject to be combined in case of low enrollment and curriculum to be adjusted!

Stage I: Foundation 2 (FS2)

During this time, new language learners typically spend time learning vocabulary and practice pronouncing new words. While they may engage in self-talk, they do not normally speak the language with any fluency or real understanding.

Stage II: Early Production 2 (EP2)

At this stage, students continue to practice pronouncing new words, and typically learn at least 100 new words and their meanings. They also start using their new words to speak in short phrases.
