Dear Friend and Neighbor,

The mission of the Wayland High School Scholarship Committee is to solicit donations to award scholarships to those Wayland High School students in need. Thanks to the extraordinary generosity of many individuals, families and businesses in our community, last spring our Committee was able to award \$88,000 to 24 deserving seniors.

Many members of the Wayland High School Class of 2021 are now waiting with excitement and anticipation to receive their college acceptance letters. They are also beginning to make decisions about how they will afford to finance the exorbitant costs of pursuing higher education. **We would like to ask again for your generous support so we may continue to provide these awards for our Wayland High School seniors.**

Each spring the **Quarter Century Service Awards** are given in recognition of individuals who are retiring from the Wayland School System after 25 years or more of service. This year, we honor three retiring teachers – Jay Chandler, Kevin Delaney, and Maureen Devlin – and we will grant this scholarship award to a member of the class of 2021 so we may continue to extend our gratitude for these and all previous honorees who have enriched the lives of Wayland students.

In addition, we are honored to have added three new funds this year:

- **In memory of John McNamara**, a Wayland resident for over 30 years who passed away unexpectedly in November 2020. For those fortunate enough to have known John they knew him as a kind, gentle soul with a wonderful sense of humor, a reassuring nature, and a positive outlook.
- **In honor of Pam Miller**, a long-time employee at Wayland High School who retired in September 2020. Pam was the Media Center Assistant at the high school for years, was a beloved coach of the cheerleading team, and was a welcoming presence in the front office.
- **In honor of Martha Weston**, a 1973 graduate of Wayland High School who has lived by the lessons she learned during her high school years. This award will recognize students who constantly learn, always give their best effort, and make room in the spotlight for everyone.

These are just a few of the many named scholarships we have the privilege of awarding each year, carrying on the strong tradition of supporting education in Wayland. We encourage you to please make a donation to the Wayland High School Scholarship Fund today and truly make a difference in the life of one of our deserving WHS scholars. The attached donor card will direct your tax-deductible donation to one of the following funds:

- **The Current Award Fund** – allocated entirely to the class of 2021
- **The Endowment Fund** – permanently invested with a portion of the earnings available in 2021

Thank you for your continued support and generosity. The impact on our students is profound and long lasting.

With gratitude,

Jeanne Brown, Chair
