What is Parent Access?

RDS Parent Access is a portal for parents and students giving them the power to view and monitor up-to-the-minute attendance, grades, and discipline, including current and upcoming assignments from any place when they can access the Internet.

Why Use RDS Parent Access?

Allows parents to update key emergency contact information directly into our school corporation system. Improves parent/teacher communication and is a great tool for assisting parents in being more involved in their child's education.

How Do I access RDS Parent Access?

A link is available from the EACS webpage. Your child's school must first give you an activation code to establish your child or family user account.
