

Vending Machines

Section 1. General. Installation and placement of vending machines at an East Allen facility will be with the consent of the Building Principal, Superintendent and Chief Financial Officer.

Section 2. Scope. The district-wide beverage contract will pertain to all beverages served or supplied for any school activities as well as any outside catered events. The contract pertains to all facilities under the district's control. EACS Food Service will serve the district-wide vendors' products between the 12 oz. and 24 oz. sizes. EACS Food Service may provide other products in packages under 11.5 oz. This contract does not include milk and coffee.

The products being vended will not conflict with the school lunch program or any corporation policy regarding education programs on health and nutrition.

Section 3. Revenues. Revenues will be maintained through extra-curricular accounts at each school where vending machines are located.

Section 4. Location. Machines may be placed in areas restricted to staff and/or areas open to the general public.

Section 5. Limitations. No products will be vended which conflict with Drug Free Workplace policies.
