## Elementary Secondary School Emergency Relief Grants Plan

- Elementary Secondary School Emergency Relief, or ESSER Grants, are allocations awarded to school districts, based on Title I formula, to support the response to and recovery of COVID19 pandemic implications.
- Detailed breakdowns of the implementation plan for each allocation are on subsequent pages.
- Grant plans are subject to amendment. All information is accurate as of September 24, 2021.
- Allocation Amounts:
  - ESSER I \$2,170,746
  - ESSER II \$10,187,409
  - ESSER III \$22,879,474

# Elementary Secondary School Emergency Relief I (ESSER I)

- EACS Total Allocation: \$2,170,746
- Supported the 2020-2021 School Year needs as identified.
- Period of Availability: March 2020-September 2022
- EACS application approved July 7, 2020
- Authorized by CARES Act of 2020
- Required non-public equitable share be set aside from EACS funds for use at eligible non-public schools.

- Heritage Jr/Sr High School
- Leo Jr/Sr High School
- Southwick Elementary School
- To be completed by September 2023

## Technology Upgrades

- Elementary and Secondary staff laptops to support virtual and in person instruction
- Docking stations

# Elementary Secondary School Emergency Relief III (ESSER III)

- EACS Total Allocation: \$22,879,474
- Focuses on Return to in Person Learning, Addressing Learning Loss, and Accelerating Learning
- 20% of ESSER III funds (\$4,575,895) must be reserved to address learning loss and accelerate learning.
- ESSER III requires EACS develops a Return to In Person Learning Plan. US DOE regulations require that the Return to in Person Learning Plan must be reviewed and revised as needed every six (6) months, must include public comment, and be posted on the district's website. This will be required for the statutory life of ESSER III, through September 30, 2023.
- Remaining 80% of funds may be used to address learning loss or other COVID19 relief approved activities.
- Maintenance of Equity Requirement must be met by ensuring that the highest-poverty schools at EACS are not disproportionately underfunded nor understaffed
- Period of Availability: March 2020-September 2024
- EACS application approved July 24, 2021
- Authorized by ARP Act of 2021

## Address Learning Loss/Accelerate Learning

- Increased Summer Learning Opportunities (including transportation)
- After school tutoring in ALL Elementary and Secondary schools (transportation in Title I schools)

## Response to COVID

- PPE as needed
- Plumbing Improvements
