

East Allen County Schools
Anti Bullying Pledge

We, the staff of _____ agree to do our part to stop bullying at our school. We believe that everybody has the right to enjoy our school equally, and feel safe and accepted regardless of race, color, gender, ability, popularity, intelligence, religion and nationality.

We know that bullying can include pushing, shoving, hitting, name calling, making fun of, laughing at, and excluding someone. We understand that bullying can also occur via computer, text message, or using other kinds of technology.

We understand that bullying can cause pain and worry to targets and that it is never excusable as “just joking around” or “just teasing”. We understand that no one deserves to be bullied.

By signing this pledge, we agree to:

Support students who have been or are being bullied.

Talk to students about concerns or issues related to bullying.

Always model respect.

Never stand by or join in.

Do something if we see or hear of bullying.

Understand that it is everyone’s job to stop bullying.

Protect our school and community by taking a stand against bullying.

We will not just stand by, we will stand up.
