BOARD HAPPENINGS

August 16, 2011

AUGUST 16th

■ ISTEP+ results for the past year were reported by [Bill Diehl](#), Director of Accountability. Overall EACS has made substantial gains in the areas of math and language arts across most of the district. The district has been very intentional in the implementation of new initiatives and practices, but credit must be given to our teachers who have used these tools in their classrooms on a daily basis. Their hard work and the work of the students is showing and reaping rewards.

■ [Kirby Stahly](#) presented the 2011-12 Budget. The Board also authorized the advertisement of the Plan.

***Note: the November 22nd Board meeting has been changed to November 29th.**
