

Leo Elementary School

Students being picked up after school will be released after the buses have left the parking lot at 2:36pm.

Parents will enter the main parking lot and will immediately turn left to follow the arrows. Cars will be held at the gate until all buses have departed. Then, cars will alternate to form a single file line up to the stop line to load. Once all cars along the sidewalk are loaded they will be released and the remaining cars will pull forward to load and be released.

AM—Buses pull into 1st available slot. PM Assigned Parking
