

EAST ALLEN COUNTY SCHOOLS

DREAM IT. DO IT.

EACS Technology Newsletter

October 29, 2015

1. For teachers in grades K-12: please note: the only district expectation for Canvas is that lesson plans/newsletters should be posted in Announcements each week.

2. For teachers in grades K-12: EACS's eLearning plan has been approved by the IDOE and by the school board. Key changes to the plan include eLearning practice(s) in November and December (as determined by each building principal), and the ability to teach new content, as long as the new content *would have been taught if school were in session and content continues the momentum from the day before.*

3. For teachers and administrators in grades K-12: Please take a look at this interesting article on the most innovative schools in America: [Most Innovative Schools in America](#)

4. For teachers and administrators in grades K-12: remembering back to the September district professional development day, the presenter, Tina Boogren, talked about Brain Breaks. Here is a link to 112 brain break ideas for teachers, and you could open as a PDF in iBooks: [112 Brain Breaks](#)

5. For any staff member with an iPad: yes, we are still waiting for the Beacon App to update to iOS 9, but here are 10 new features of iOS9: [10 new features to iOS 9](#), and is written by a great resource: Educational Technology and Mobile Learning.

Fun technology fact: Millions of people today, and most all students nowadays, have never seen or used a floppy disk, and yet it is still the universal save icon.
