

R. J. Neutra Elementary School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

I would like to welcome you to R.J. Neutra's Annual School Accountability Report Card. The purpose of the School Accountability Report Card is to provide parents with information about the school's instructional programs, academic achievement, materials and facilities, and the staff.

R.J. Neutra School is surrounded by endless acres of field crops and military operations on the Lemoore Naval Air Station. Many are amazed that the school was designed in 1929 and built in 1960 because of its modern look and appeal. R.J. Neutra School strives to provide a warm and safe learning environment. For all students enrolled, the school's top priority is to foster intellectual, emotional, social, ethical, and physical health.

It is the belief of R.J. Neutra School that students can and will excel in an environment that is tailored to their evolving needs and conducive to all facets of the learning process. It is due to this belief that we have been able to successfully develop a comprehensive educational system that celebrates and promotes ethnic and cultural diversity, individuality, and emotional, intellectual, and social eminence.

At R.J. Neutra School, we have made a commitment to provide the best educational program possible for our students. The excellent quality of our program is a reflection of our highly committed staff.

We renew our commitment yearly in hopes that together, we will continue to improve our effectiveness in edifying students of today, preparing them to become productive citizens of tomorrow. It is in light of this fact, that we welcome any suggestions, ideas, or comments you may have. Parents can contact us at 559-998-6823 or through our home page address: www.central.k12.ca.us/neutra.

Mission Statement

The R.J. Neutra staff, in partnership with parents, will work toward effectively preparing our children to live in the world as it will exist in the future. We believe that much of the work our children will do in the twenty-first century is not yet determined. We strive, therefore, to prepare children to be lifelong learners, to think critically, to be problem solvers, and to learn from past experiences.

The staff and parents envision R.J. Neutra School as a place of growth for the total child: intellectual, emotional, social, ethical, and physical. Our school is where individual needs are recognized so that every student may experience success within an atmosphere of warmth, mutual respect, and caring. We monitor, adjust, and thus increase student achievement.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: Sept 2020

The state aligns textbooks, frameworks, and instructional materials to meet the California State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The District follows the State Board of Education's adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state's adoption. The District's Curriculum Selection Committee, comprised of teacher representatives, narrow the potential selections, followed by review and recommendation from all teaching staff. All textbooks are adopted from the most recent state-approved list. All textbooks are consistent with the content and cycles of the curriculum frameworks, adopted by the SBE. Every student has access to their own textbooks and instructional materials.

On September 14, 2020 the Central Union School District Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students, including English Learners, in the District. The Board of Trustees adopted Resolution #X-09-14-2020 which certifies, as required by Education Code section 60119, that (1) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements

R.J. Neutra School works closely with the District’s maintenance department for larger projects that may require third-party contractors, routine facilities maintenance projects, special projects, and school inspections.

Central Union School District allocates deferred maintenance money to fund the repairs or replacement of existing school building components which typically include projects such as roofing, plumbing, heating, air conditioning, electrical systems, interior/ exterior painting, and flooring systems.

Recent Campus Improvements:

- Neutra received a CDE grant to expand the Kindergarten wings, and the school site is presently underway with construction of four new Kindergarten classrooms. Completion is set to be attained in June 2021.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 9/20/20

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	65	N/A	45	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

The community, parents, and school staff all play vital roles in every child’s education and success. Educational research suggests that the single most important element to assure a child’s success in school is a parent who stays involved in a child’s education.

At R.J. Neutra School, parents are encouraged to become active members of the school’s learning community and assist in its goal to develop independent, self-reliant, lifelong learners. While COVID-19 guidelines limited in-person instruction and reduced parent volunteer activities, parents are encouraged to participate virtually in the School Site Council, District Advisory Council, English Learner Advisory Committee, and Parent Teacher Club.

The School Site Council for R.J. Neutra School is a governing body comprised of elected parents and school staff members. Council members are responsible for providing input into the development of the school plan. The School Advisory Council may and has elected to relinquish its duties to the School Site Council.

School Communications - Communication from school to the home regarding school events, activities and student progress is facilitated by school administrators and classroom teachers. A monthly newsletter is sent home and includes current school news, a calendar of events, and other announcements as necessary. School Messenger, an Internet-based telephone messaging system, is used to quickly forward important messages from school staff to each student's home.

The school's digital sign is updated weekly with important news. Teachers send home weekly classroom updates. After-school activity schedules are distributed regularly.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.2	1.0	2.6	1.9	3.5	3.5
Expulsions	0.0	0.0	0.0	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	.09	2.0	
Expulsions	0	2	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Site Safety Plan was developed for Neutra School in collaboration with local agencies and District administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and department from school, sexual harassment policy, dress code policy, and bully prevention policy. The most current school site safety plan is reviewed annually and any changes or modifications are presented to the School Board by March 1. Annually, the plan is also reviewed, discussed, and shared with school staff in the fall at a staff meeting. Components of the School Site Safety Plan are discussed at monthly staff meetings throughout the school year.

The student handbook outlines school policies and procedures concerning emergency situations, school bus safety, playground behavior, first aid, illness, health issues, and special services. Lockdown and Evacuation Drills are conducted once a month, and Drop and Cover drills are done in the fall each year. All visitors are required to check in at the school office upon arrival and departure.

As students arrive on campus in the morning, instructional aides supervise students on the playground and in the cafeteria while breakfast is served. Instructional aides supervise playground activities during recess. Lunchtime activities are supervised by instructional aides in the cafeteria and on the playground. At the end of the day, teachers supervise students to ensure a safe and orderly departure. R.J. Neutra School provides two-way radios to those who are supervising students to maintain open, continuous communication.

Types of Services Funded (Fiscal Year 2019-2020)

The Central Union School District Student Conduct Code, which is sent home with each student at the beginning of the school year, outlines expected student behavior and the consequences for inappropriate behavior. R.J. Neutra School's code of conduct and school rules are in alignment with District policies and outlined in the student handbook. During the first week of school, behavior expectations and discipline policies are verbally shared with students at school-wide assemblies. Teachers review individual classroom rules and expectations with students during the first few days of school. Throughout the year, school rules and policies are communicated as necessary on the school's website, in the school's monthly newsletter, and in personal emails to parents/guardians of students. School-Wide Behavior Expectation are also displayed around the campus for student reference. The Student Conduct Code and student handbook are available on the District's website.

Students are encouraged to participate in the school's additional academic and extracurricular activities which include:

- Anchored 4Life
- Choose to Be Nice Activities
- Color Guard
- Community Service Projects
- Dance Troupe
- Deployment Group
- Dr. Seuss Birthday Celebration
- Drama
- Holiday Performances
- Intrumurals

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

Central Union School District combines efforts to provide training and curriculum development based on the California Standards which are aligned to the content of the curriculum frameworks for grades kindergarten through eight. Teachers within the District align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

CUSD Vision focuses on “empowering every student to excel to their highest potential.” We seek “to be an exemplary learning community,” as stated in our mission. With this in mind, the District’s Professional Development Plan continues to focus on the Professional Learning Communities (PLC). Grade Level Teams have worked to identify Essential Standards Districtwide to ensure that all students are achieving. The District continues to partner with Solution Tree to support our learning community process through training and coaching for our educators.

A Multi-Tiered System of Support (MTSS) Leadership Team was developed during the 2017-18 school year, and continues to be instrumental presently. This group began with a focus on the Social-Emotional and Behavioral needs of students. Based on their findings, they provided training on Connectedness to administrators and staff. An ongoing needs assessment was conducted at each site to provide information for next steps. Over time, we can expect to see continued improvement in school culture as well as student achievement as a result of this research-based practice.

Central partners with local County Offices of Education and content experts to provide staff training and coaching to support the full implementation and sustainability of State Standards. This year, they included:

- Next Generation Science Standards (NGSS)
- 21st Century Teaching & Learning Capacity Building
- English Language Development

Just as teachers differentiate for their students, the District strives to differentiate learning for staff. To that end, it hosts several optional trainings each year as well as providing opportunities for staff to attend trainings outside the District. Teachers chose to attend those that best meet their needs for personal professional growth. Optional Trainings for 2017-18 focused on Student Engagement through the use of Collaboration and Cooperative Strategies in the classroom.

Instructional aides receive training in instructional strategies to assist students with reading skills improvement, First Aid/CPR, English Learners, Technology and Reading Mastery. Classified staff acquire job-related training through in-house sponsored workshops provided by department supervisors or product vendors.

Newly credentialed and/or beginning teachers receive training on assessment, individualized support, integration of instructional technology, and advanced content from the California Teacher Induction Program which is the preferred pathway to a California Professional (Clear) Teaching Credential. The Teacher Induction Program is co-administered by the California Department of Education (CDE) and the California Commission on Teacher Credentialing (CCTC). The Teacher Induction Task Force and State Leadership Team provide support and technical assistance to local Teacher Induction Program leaders. The Teacher Induction program provides standards-based, individualized advice and assistance that combines the application of theory learned in the preliminary teacher preparation program with mentor-based support and formative assessment feedback.

Sites also differentiate for staff based on the needs of their site, providing training through Staff Meetings, Instructional Aides Meetings and additional site professional development including such topics as:

- Math Model & Coaching
- English Language Development
- Collaboration

Professional Development specific to Neutra included advancing student technology use and further implementing digital portfolios. Learning about and creating school-wide behavior expectations and as well as overall school safety in the event of an emergency. Also learning more about 21st Century Libraries, Makerspace, and flexible seating benefits in the classrooms.

As we plan for the future of our District, continuing to build our capacity in the PLC Process so we can ensure all students “excel to their highest potential” and a comprehensive MTSS for academics, social-emotional and behavioral will continue to be a primary focus.
