Approved: 1/23/08

Tolland Public Schools is committed to maintaining a safe and healthy working environment for all employees. It is the intent of Tolland Board of Education to comply with all local, State and federal regulations governing workplace safety and to develop a safety program that conforms to the best management practices available to minimize hazards and reduce the likelihood of employee injury.

Tolland Public Schools understands that to have an effective safety program, safety must be integrated into the daily activities of every employee. Safety is the responsibility of every employee and it is our practice to hold all employees accountable for workplace behaviors that affect their own personal safety and health as well as the safety of others.

To achieve this goal, Tolland Board of Education has made a commitment to allocate the necessary manpower and resources in a timely and conscientious fashion. The Tolland School District Safety Committee will work directly with the insurance company to coordinate development and implementation of elements outlined in the risk management guideline.
