## Happy New Year!

It is with great excitement that I announce Lynda Pierce has joined our administration team as the Assistant Principal/Special Education Supervisor. Lynda has worked in Westfield for over 25 years in various roles including Special Education teacher and Supervisor. She was the supervisor at North Middle School and various elementary schools for 17 years and is returning to the role of administration after teaching for the past year and a half. We are very excited to welcome her to our team! She can be reached by calling the main office at 572-6441 or email at [l.pierce@schoolsofwestfield.org](mailto:l.pierce@schoolsofwestfield.org). Megan Ceniglio starts on January 22 and will replace Lynda's teaching position. Megan completed her student teaching here and is a certified Special Education Teacher.

## Late Bus

I am happy to report we will have a late bus starting on Wednesday January 9th. The late bus will run on Wednesday and Thursday afternoons and will pick students up at school between 3:30 and 3:40 PM. Any student riding the late bus will have to sign up in the main office each day by 10:30 AM. We send the list over to the transportation office so that they can develop the quickest route home for students on the bus. The route will change each day depending on who is riding the bus. It is very important for students to sign up on time as we will not be able to add anyone on late. The late bus is available for bus students only.
